Long Term Virtual Internship Program

Salesforce Developer- Phase 2

How to Complete Short-Term Internship Program?

Step-1: Create the Trailhead Account.

You are requested to create the Trailhead account as an initial step to complete your self-learning courses and Super badges.

Link - <https://trailhead.salesforce.com/en>

Step-2: Attend the live sessions and complete the self-paced learning courses.

You need to attend the live sessions to gain hands-on experience on the Salesforce cloud which will help you in completing modules along with the super badges & supersets on the Trailhead platform. Refer to the self-paced learning Trailmix under the courses tab.

Step-3: Complete the Super Badges, Supersets & Guided Project

Access the super badges and supersets listed under the guided project tab by clicking the go-to workspace button. This will open the guided project template with step-by-step instructions to complete the project activities. The guided project template consists of project milestones (Orange), project activities (Red), and reference links (Blue), which will help you to complete the super badges in a sequential manner.

Step-4: Access the Project Workspace & Update the Work Status

Access the project workspace, where you can find all the activities and milestones given under guided projects in the form of

& Update the Work Status

Access the project workspace, where you can find all the activities and milestones given under guided projects in the form of Tiles. Move the status of each card to review under Tasks & Progress (Kanban board) as you complete the activity so that the mentor will be able to track your progress.

Step-5: Submit Trailhead profile URL for verification to get Completion Certificate

The associated mentor will review the modules and super badges completed by you through the profile URL submitted and if everything is done perfectly, you are all set to receive your internship completion certificate.

Note:

Update the project completion status regularly through the Kanban board
Ensure that you submit your trailhead profile URL for verification

Internship completion certificate will be awarded only if you complete all required modules, super badges, supersets & Guided Project.

CRM Application That Helps To
Book A Visa Slot - Developer -
(Short-Term)

INTERMEDIATE

CRM Application That Helps To Book A Visa Slot - Developer - (Short-Term)

Category: Salesforce Developer

Skills Required:

Salesforce Admin

Project Description:

A visa slot management project is a system that is used to track and manage the availability of visa slots, which are appointments that are required for certain visa applications. It might be used by a government agency or a visa processing
